*** Do NOT attempt to install or run these scripts until you read pages 4, 5, and 6 of the User's Guide and then carefully follow the Installation Steps given on Page 5.

If you do not follow the Installation Steps given, these scripts will be USELESS to you.

While no one seems to like to read manuals, a great deal of effort was expended in writing and proof-reading the **WIPS User's Guide** and you should take advantage of it. WIPS has many very useful features that you may never discover by trial and error.
